

Bio+Med+Vis

Confirmation of attendance at the 1st Bio+Med+Vis Spring School

We hereby confirm that

Ashish Soni

participated at the **Bio+Med+Vis** Spring School, the first Spring School on Biological and Medical Visualization, which was held virtually during the week of May 17–21, 2021. The Spring School featured a total of **25 hours** of talks by leading experts in Biological and Medical Visualization, mentoring sessions, and practical tutorials. The Spring School is **endorsed by EG VCBM, BioVis, and the Mohn Medical Imaging and Visualization Centre**, and is supported by the institutions of the organization committee.

Yours sincerely,

The Organization Committee
